Friday Night Live builds partnerships for positive and healthy youth development which engage youth as active leaders and resources in their communities.

California Friday Night Live Collaborative

California Friday Night Live Collaborative (CFNLC) is the body of Friday Night Live County Coordinators; one from each county. Each of the six regions of the CFNLC selects a representative to be on the Leadership Team. The Leadership Team addresses areas of common concern and provides support for program coordinators and staff. Additionally, this team works together to gather input from their region and provide information to the CFNLP to support the FNL field. All of these efforts combine in a unified commitment to the mission and principles of Friday Night Live.
